What can you do to secure your CashCard?

- Remember your PIN, and if you do choose to write it down, never store it in the same place as your CashCard.
- If you forget your PIN, login to your PeakWallet, then click on FORGOTTEN PIN CODE. Enter your 3 digit CVC code from the back of your card and we will send you the new PIN via SMS.
- Never give your card number, date of expiry, CVC code or PIN to any unauthorised persons.
- Lock your CashCard with one click in PeakWallet while not in use.
- Make a note of the phone number on the back of your card (+36 1 733 3111) and call it immediately in case of stolen or lost CashCard.

Activate your CashCard as soon as possible in order to enjoy its benefits.
